

Crossroads Midweek Prayer List

February 15, 2012

"Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God." Philippians 4:6

02/09/12 Stacy Sullen: My dad, Robert Dillevig is in the hospital (Gulf Coast).

02/09/12 Nicole Roussel: Rena has no blockage! Praise the Lord! She'll be in recovery for a few hours then released.

02/12/12 Nicki Perkins: Two weeks ago Daisy had a pacemaker put in. When she arrived home from the hospital and got out of the car, she collapsed and suffered a stroke. They have moved her to a Rehabilitation Center in Dothan, Alabama. Please pray for Daisy and her family as they make decisions regarding Daisy.

02/13/12 Michelle Muselwhite: I have an update on the twins that were born last week. They are in pretty good health overall however they have to be on feeding tubes because their mother had a few post op complications so due to the medications she is on she cannot feed them and they are not latching onto a bottle right now. Please keep praying for them to progress and for Nicole's pain to go away. Also that they would be saved! Thanks!!

02/13/12 Michelle Musselwhite: Nelson's dad had a minor stroke on Friday. He has 50% blockage in the left carotid. He is conscious and aware and doing some things for himself. He can walk with assistance and also can speak but it is slightly slurred. Please continue to pray for his full recovery. Thanks!

02/13/12 Pastor: Brother Wes Scott is not doing very well. Please pray for him and his family. Especially pray for God to guide them and give them peace in the decisions that they may face now and in the near future. I believe that is all they need other than some privacy. Please do not visit at this time.
